

Parameter

Model	YC-3200PX
Max media width	3300mm
Max printing width	3200mm
print head	XP600
Quantity of printhead	4pcs
Print speed	XP600 4heads ECO solvent
	2pass 80m ² /h
	4pass 40m ² /h
	6pass 25m ² /h
Print media	PP, car stickers, vinyl, clear-film, backlit flex, frontlit banner, wall fabric, wall paper, ceiling film, canvas, leather, etc
Inks	UV ink, Sublimation ink, Eco solvent ink
Ink supply system	3L alarm ink bottle + secondary ink supply, 5L bottle alarm for waste ink
Heating system	Platform have front heating, Middle heating, back heating, cool and heating function together Intelligent Blowing dryer.
Feeding system	Collecting + Double Motors Feeding system +Soft film Tension System (optional)
Voltage	220V
Transmission Interface	Gabit Network Port Transmission
Machine size	5085mm*1000mm*1510mm
Packing size	5200mm*1100mm*1570mm
